

Supporters—This girl doesn't do mowing well, due to some health issues I haven't contributed this to our family life since my 30's. I'm an achy person and this doesn't bode well for my body. I am so happy for some friends of ours and sad for Wilderness Prayer Center as I lost my outdoors Grounds Keeper; he saw things I didn't. *Thank you so much for your service last year Steve.* I really do wish you well in Mankato! I was fortunate to secure another individual, however, he is a paid vendor.

I also don't cut down trees. Recently Greg called me as he was traveling from Prairie River Camp to Albert Lea and informed me a large portion of a troublesome Maple tree had fallen atop our gas tank into the neighbors yard. Although I appreciated the information, I was not sure what to do with it. I did communicate to him... that's the problem with this Female Area Director; there are certain things she doesn't know what to do. \$250.00 dollars later it is taken care of.

What I do know how to do well is provide a beautiful facility! Clean bathrooms! Wash laundry after a group of youth have been there, (who don't have linens to bring for an overnigher), set up for groups (recently we hosted the SCMYFC Executive Board, and a group of 39 Prayer Intercessors from across southern MN), and take garbage out!

I NEED some help! If you are someone who is able to help mow (2025 season), landscape (minor upkeep), finish painting a few areas, PLEASE connect with me. **Or, if you'd be in a place to 'gift' towards these expenses, our modest monthly heat, air, electricity, internet bill NOW is the time!** We are being good stewards of our income and keep expenses at a minimum, however it does take money to keep the doors open!

I was recently in a conversation with an individual who hadn't been to WPC for many years. She was complimentary on how amazing things looked and said in so many words; **you're ready for PRAYER MINISTRY to flow from here!** **YES! YES we are! ...and it has started.**

More Ministry to happen is our number ONE goal! I want ministry, prayer and healing to happen at WPC! **Will you partner with us?** We also **flooded three times this summer.** A HUGE thank you to Gregggy, my Facility & Outdoors Director (his new title from me), a handful of hard working, amazing volunteers and others who prayed! **Prayer is**

vital! I recently was a part of the YFC Wisconsin Dells Caravan with 35 youth. We sent out prayer requests and had many praying for this event. We also hosted the Prayer Initiative for YFC Middle School Camp! **Prayer is and does change circumstances and outlook. Thank you for supporting WPC!**

Kindly—Robin Gudal | WPC Area Director | 507.402.2313
