

Blue Earth Area | Summer 2024

Dear Friends,

Summertime and the liv'n is: Camp, Peaches, smiling volunteers, laughing teens, checkers, prayer, pool, Bible memory, surprise volunteer lawn mowing, tears, friends, Jesus talk, and generous financial support.

Last Friday, at closing time some boys said, *But we love The Refuge! We want to live here!*" I pray they learn to live in the shelter of The LORD our Refuge, who will never leave them or forsake them. Thank you for making The Refuge an outpost of THE REFUGE.

Have a great Summer,,

Rodney Yates
Blue Earth Area Director
