Winter 2025

Dear Supporters,

Many of you have been VERY generous the last few months so let me start with a **heartfelt thank you** and tell you how **encouraging** it is!

Often things in life move slower than we desire—this journey has been no different. Many factors have come into play. My health. Finances. New YFCUSA Insurance guidelines. However, **I remain committed through the bumps and I ask for your continued support.** That can mean different things to each of you—financial, prayer and encouragement! **Thank you!**

To the right, you will see a photo of the Wells Area Youth or WAY group that recently stayed, worshipped, was challenged and prayerfully grew in their walk with Jesus. They had 35+ youth in addition to their staff, volunteers. **Praise God there was (very likely) loudness within the walls praising Jesus!**

**Building update:** As communicated the last months we need to have a submersible pump installed, to prevent future flooding and damage. We have secured a contractor. Greg is in the process of researching things this lady doesn't understand...underground tile location ect. Greg has been such a help and I want to publicly **thank** him here. We do not have a quote yet but it is a need and thus we continue forward.

**Ambassador update:** The Wilderness Prayer Center Ambassador Committee continues to grow, for this I am **thankful**. They are the support team for the Ministry and myself.

**Ministry update:** As the SCMYFC Board and Greg have

Three kids gave their lives to the Lord!

worked through new guidelines; it has caused some great discussion, and reflection on purpose. It has brought clarity so we can begin to move forward. Because of the world we live in, more requirements are needed. We know this is a protective issue to the overall Ministry and important so we continue on.

Below you will see our upcoming Prayer Events, I pray you can join us for one or all! Again, **thank you** for your support.

Blessing,
